

Sec. 38. Actuarial Determination of Contribution Requirements.

Municipalities and courts seeking participation in the Defined Benefit Plan or Hybrid Plan shall have the Retirement System's actuary make an actuarial determination of the contribution requirements that would be associated with the entity's participation in the Retirement System, in accordance with the Retirement Board's Restated Initial Actuarial Valuation and Supplemental Valuation Procedure. The municipality or court shall furnish the employee information needed for the actuarial determination, as specified by the Retirement System.
