

Sec. 39. Contribution Programs.

- (1) A member shall contribute the percentage of compensation selected by the participating municipality or court from the available contribution programs. The contribution programs available for selection are any percentage of compensation from 0% to 10% in increments of 0.1%, subject to modification under Plan section 43.
- (2) A participating municipality or court may select Contribution Program P as provided in section 40 in conjunction with any of the above contribution programs.
