Health Care Savings Program: 1094-B, 1095-B

Your municipality participates in the MERS Health Care Savings Program (HCSP). Due to new tax filing requirements introduced by the Affordable Care Act in 2015, HCSP may qualify as Minimum Essential Coverage. Therefore, you may be required to file 1094-B and 1095-B forms on behalf of your terminated participants with an HCSP account balance.

MERS is here to help. For filing deadlines and details on the data we will provide, visit our website at www.mersofmich.com.
